WINTEC

Seth Warren and the Macdonald twins, Toby and William built their own mini bike this year at Wintec. At the culmination of the years course the boys brought their completed bikes home.

Toby tests his mini-bike

Both Toby and William Macdonald's mini bikes on show. Well done boys.

GALA GALA GALA

We are nearly there people, fun, fun, fun!

We have lots of yummy food planned so please bring the family out for dinner

You won't be disappointed!

Next week we are calling for op shop items– no clothes, baking, chocolate bars or fizzy drinks.

Come on people– get behind your Gala!

MINIBALL DRAW

Friday 28 October PPC Black vs CP Panthers at 4.00pm

TROPHIES

We still have outstanding cups and trophies. If you received a trophy last year please return it (cleaned) to the College office as soon as possible. Phone calls home will start soon for those still outstanding.

YEAR 10 CAMP FUNDRAISER

Due to high demand we are holding another Oxford pie fundraiser, to raise funds for our Y10 camp being held on 6,7,8 December. We will only be selling family pies for \$8.00, this has been a huge success in the past so get your order in with one of our Y10s.

STUDENT OF THE WEEK

This week's student of the week is Oliver Barnsdall. Oliver is a fantastic role model for our students at Piopio College.

He has a fantastic attitude towards achieving and applies himself to his full ability in both schooling and sporting pursuits. Not only has Oliver succeeded highly academically this year he has just been accepted into the New Zealand Golf Academy.

He has done this through passion, persistence and determination and we are really proud of him.

Congratulations Oliver your success is well deserved.

NCEA EXTERNAL EXAM ENTRY FORMS

Over the next few days all senior students will receive their external exam entry slips. It will list all the individual papers the student is entered for as well as the date and time of the related exam. Students will need to check the entries are accurate and see Mr O'Dea if there are any errors.

In addition they need to check the postal address on their form as this is where scripts and results will be sent to after they have been marked. Again, see Mr O'Dea if there are any errors.

Students need to keep these forms in a safe place and show them to the examiner when they enter the exam room to sit their externals.

SWIMMING COACHES

The Piopio Swimming Club is after senior students who would like to volunteer as swim coach assistants over summer. This would look excellent on future CVs when applying for courses or jobs in the future.

EQUESTRIAN

The Piopio College Equestrian team competed in the North Island Secondary School Show Jumping Championships at St Peters last Friday.

The team competed extremely well coming away with a team placing of 4th.

This is a fantastic result with 28 schools competing.

The team consisted of Sarah Bevege, Storm and Clay Harris and Hayley Anderson.

Well done to you all.

WAIKATO SEVENS

The Piopio College sevens team travelled to Cambridge last Wednesday to compete in the Waikato sevens.

They played Fraser High first up and came away with a 42 to 14 win. Next up we played HBHS in a very competitive game with the boys losing by a couple of tries. With a major hiccup in the draw Piopio had to stay on the pitch and play a rested Cambridge in the quarter final. Even though the boys had emptied the tank against HBHS and didn't even get time for a water break they battled on and only just lost the match right on the final whistle 22 to 19. Jack and I were really proud of our boys and we continue to foot it with and beat the bigger Waikato school.

BMX CHAMPIONSHIPS

Shaun Edgerton competed at the North Island BMX championships over the weekend and performed really well. After a crash in the 20inch bike heats he missed out on a semi final however had a fantastic race on his 24inch bike and received a ranking of 3 in the North Island. Number 3 RANKING, mean Shaun!

CONGRATULATIONS

Ricci Turner, Jessica Williamson, Stormy Harris.

These girls have received a substantial scholarship to study at Waikato University next year. The Te Ara ki Angitū Scholarship will pay their first year fees. Well done girls.

INTEGRITY / NGĀKAU TAPATAHI:

Definition: The quality of being honest and having strong moral principles:

Whakatauki: Ko te mauri, ko te waiora o te Waipa ko Waiwaia.

Translation: The essence and wellbeing of the Waipa is Waiwaia.

Explanation: Ngati Maniapoto say the essence of Waiwaia was instilled in the Waipa. Describing the likeness as "Waiwaia" the waters of the Waipa were described as astonishing, beyond description. One attempt to describe Waiwaia talks of ripples of water reflecting in the sun under the moonlight. Rainbows that appear in waterfalls was another attempt. But the most important part of Waiwaia was that it was the water itself and without it man could not survive.

INTEGRITY / NGĀKAU TAPATAHI:

Ko te mauri, ko te waiora o te Waipa ko Waiwaia.
The essence and wellbeing of the Waipa is
Waiwaia.
