### PRINCIPAL/TUMUAKI

Johan van Deventer  
[admin@piopio.school.nz](mailto:admin@piopio.school.nz)

Kia ora Whānau,

Term 1 has well and truly flown by. I hope you are all looking forward to a well-deserved break and take the time to reconnect with whānau and friends. Enjoy the Easter Break and if you are able to, commemorate the occasion of Anzac.

During the first week back of Term 2, we will be holding a special assembly to celebrate Anzac Day.

Enjoy the holiday and we will see you all next term.

Hei manaaki i a tātou katoa

**Reports will be handed out to those students who are at school today. All absent students will receive their report in the post.**

**We would appreciate if you could confirm you have received your child's report by leaving a message on our answer phone (07 877 8173 / 0800 240 173) or email**

[admin@piopio.school.nz](mailto:admin@piopio.school.nz)

Thank you

### Board of Trustees Elections

Nomination forms for this years Board of Trustees Elections will be mailed out to all eligible voters in the second week of Term 2.

Nominations will be called for 3 Parent Representatives and 1 Staff Representative to the Board of Trustees.

**Please ensure we have your correct postal address.**

This term the Year 8's have been putting together their pepeha, we decided to do something a bit different and put our pepeha into visual form on the walls. The students have learnt a little about carving, print making and painting in shades. We have learnt about the local area, along with celebrating our differences and learning about each other. I am extremely proud of their achievements and invite you to come by and take a look at their hard mahi.

Victoria Sammons, Year 8 Teacher

There are still some lockers available to hire for \$15. If interested please talk to Finance Office.

Te Kuiti bus fees for Term 1 and our Bus Transportation Contract 2019 needs to be paid and returned by Friday 12th April 2019, otherwise we might not be able to secure their seat for Term 2, 2019 as this was meant to have been done by 8th March 2019 unless other arrangements were made with Finance Office. Any queries please contact the Finance Office ASAP.

Level 1 Agriculture students learnt some fencing skills with our Head Boy, Heath Barnsdall this week. The skills learnt will contribute to the Practical Skills Achievement Standard that the L1 students are working on through the year. The students enjoyed it so much that even at lunchtime Heath had a keen following, with Deputy Head Girl Rali Hayes-Purnell (Y13) honing her skills ready for an exciting holiday fencing job !

Marina Rauputu (Agriculture Teacher)

An awesome opportunity is coming for our kids at Piopio College in Term 2. In an effort to increase student awareness of possible jobs that are based around core STEM subjects at school, Engineering New Zealand are supporting this initiative by running the Wonder Project Rocket Challenge at Piopio College in Term 2. Now they are on the look-out for ambassadors to help deliver this programme to year 7 and 8 students within our community - could this be you?

They require two ambassadors to help deliver the programme for a couple of hours each week, and these persons would be provided with all of the relevant information and Wonder Project material to support student learning. This is a volunteer position but an awesome opportunity to provide something a little bit different for kids and community.

If this sounds like something you would be interested in doing please contact Alison Lawrie directly 0275 426 720 or via email [alison.lawrie@engineeringnz.org](mailto:alison.lawrie@engineeringnz.org)

## SPORTS NEWS.

Congratulations to Jessie James finishing 6th at the North Island Secondary School Championships on Saturday 6th April. She was representing our kura and Waikato/Bay of Plenty region.

We are all very proud of this accomplishment, which also qualifies her for NZ Champs in Decem-

## LIBRARY NEWS

It's been a very busy and exciting week here at the library with the donation of some free standing shelving from Waitomo District library which has come at just the right time as we have also received lots of books from Mapiu School. These will get put on the system over the next few weeks and then make their way out on to the shelves.

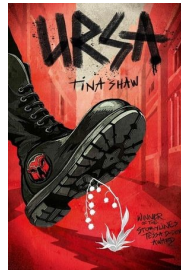

Here is some new additions to the library from the last couple of weeks.
