Kia ora whanau,

I want to thank all the parents and caregivers who have made the time to come and meet our teachers during the last week. We really appreciate your commitment and interest in our students. If you did not get an opportunity and need to talk to us, please don't hesitate to call our admin staff and make an appointment.

We are now focusing on academic achievement and preparing for our annual Matariki Festival. We hope to have all the Primary Schools, Kohanga Reo, Kura Kaupapa O Manaiapoto as well as Curious Keas to participate in our festivities which will culminate in a performance day on Thursday 20th June 2019. It is truly a fantastic and important highlight of the year!

Our Young Farmers Club is going to carry out some fencing work around the farm and school in the next few months. We appeal to anyone who may have spare posts and battens or any fencing material to please contact our head boy Heath Barnsdall or our reception. All donations are much appreciated

Our Building Industry students are also building a movable shed as a project and we are hoping to sell it to raise funds for their next project. Any interested parties can contact their teacher Mr James Hicks for more information. The basic dimensions will be approximately 3.6 x 2.5 meters. The movable shed/studio could have various uses so be quick if you are interested.

Our senior students are also doing a uniform survey regarding new school coats/ jackets which is posted on our Facebook page and we are really keen to hear your views. Please pop onto it and complete the survey for us!
