Kia ora whanau te kura,

I want to take this opportunity to acknowledge the Principal of Piopio Primary, Scott Lincoln for his time next door to us.

Scott has been a fantastic educational and collaborative partner as well as a friend to our College. I have enjoyed getting to know him, his staff and his students due to the strong relationship built with us.

I want to thank him for all the information sharing and collaboration he has given me as a fellow colleague, not only as my neighbour and fellow principal, but also as a driving force in our Waitomo cluster of schools (Waitomo Arotahi Kahui Ako).

I also want to acknowledge the way Scott has promoted close links between us, he and all his staff have always been very willing to come to the College to get involved in our events.

I wish you all the very best success at your new school in Otorohanga and I know they are going to benefit from your leadership.

I also would like to thank Mrs Marina Rauputu who has ended many years of service on the Board of Trustees as Staff Trustee. Marina has consistently shown huge wisdom and perspective as an experienced teacher and trustee.

I thank you for the many hours of dedicated work you have done as a trustee and the many, many chats and coaching sessions you have given to me. You deserve a long overdue break from this added responsibility, so please enjoy the valuable time finally available to you!

Mr Ian Small, our Caretaker and Groundsman will be filling Marina's shoes as Staff Trustee. I want to reiterate that the two new Parent Trustees have been appointed and they are Lisa Lyford and Shaun Carter and that Mrs Kristen Pari has been co-opted to the Board as part of our governance succession plan and Donna Pari has been selected by the BOT to fill the casual vacancy subject to a 28 day Notice period.

Rural Schools Science and Technology Celebration.

Years 7 & 8 students have been working on their projects in Science since the beginning of this term. On Monday 1st July in the afternoon a limited number of students will be asked to assist with setting up the displays in Aria Town Hall. Judging will be held on Tuesday 2nd July, with the Prize Giving Ceremony on Wednesday 3rd July at noon. Only a select number of students will attend the Prize Giving. There are some interesting and exciting displays to see so why not come along to the Prize Giving and see what you students have been working on!

On Friday 21st June, Mandi Butler and I took two teams, one senior and one junior to the annual King Country Volleyball Tournament in Te Awamutu. Our teams did exceptionally well on the day. The senior team progressed to the final out of 10 teams and unfortunately went down to a well polished and trained Te Awamutu team. Our juniors narrowly missed out on the semi-finals due to a count back in points.

Overall a very successful day. The students played with pride and mana. Gina Draper

Congratulations to the PPC Broncos who have been titled WINNERS of the Y7/8 Junior Hockey competition this year! They played an outstanding game against Waitomo on Wednesday afternoon coming away with a 6-4 win. This didn't come easy as the teams played into extra time which ended in a draw, so it came down to a penalty shoot out and they came out on top. Well done on a successful year. We are extremely proud of your achievement! Gina Draper

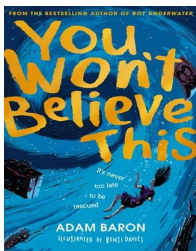

THUMBS UP and THANK YOU to Crusader Meats for their donation of two lambs for our Matariki Festival last week.

LIBRARY NEWS

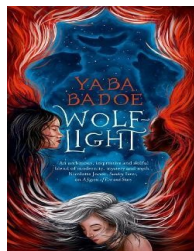

Thank you to Mike Johnson for his donation of books for the community section of the library. We have just had our latest book delivery from Scholastics which are on the system and shelves. There are some really good reads in this delivery so why not pop down and have a look.
