Year 9 Agriculture/Horticultural students share their expertise at Piopio Primary School

To culminate the end of the first semester for one half of Y9 doing AgHort, four students visited the Y3 class at Piopio Primary to share the work that they'd been learning about.

Ayla and Alex had hand made an exquisite book about herbs complete with original coloured pencil illustrations, which they read to the class and then asked the children questions to test their listening and comprehension skills. They also provided a place at the back of the book for the juniors to write comments to give them quality "user" feedback.

Logan and Jayden read their book about Honey Bees that they had designed and created on Google Docs. This book was equally well received. It then became a reciprocal learning situation as Mrs Keeling encouraged the young ones to share some of their written reports to the College students. We learnt about eels, glow worms and dragons.

These books plus others made by the class have been given as a koha to Piopio Primary although we will borrow the Herb one back next week so that we can read the feedback!

Thanks go to everyone involved as it was an awesome experience.

Y13 Food and Nutrition class are promoting healthy breakfast to Piopio College students. Based on our survey, we found that many students do not know what to make as a healthy breakfast option or lack time in the mornings. Here is some easy healthy recipes to choose from:

Banana and berry smoothie

Ingredients:

- 1 cup of milk
- 1 weet-bix
- 1 banana, chopped
- ½ cup fresh or frozen berries

Method:

1. Chill two serving glasses in the freezer.
2. Place all ingredients into a blender, and blend until smooth. Pour into cold serving glasses.

Fruit and yoghurt parfait

Ingredients:

- ¾ plain yoghurt or fruit yoghurt
- 1-teaspoon maple syrup
- 1/3-cup granola, muesli or weet-bix

Options:

- Original Mixed Berry: 1/3-cup blueberries, 1/3-cup raspberries or you can use de-frosted mixed berries from the supermarket
- PB Banana Crunch: 1 small banana, 1 teaspoon of peanut butter, ¼ cup peanuts

Method:

1. In a small bowl, mix yogurt and maple syrup until well mixed.
2. Layer yogurt and selected parfait add-ins in a small jar, cup or sealable container. I like to do two layers each of yogurt and add-ins, as pictured. Top with granola.
3. Store in the refrigerator and eat within 1-2 days.

ATTENDANCE AND PUNCTUALITY

100% attendance is very important. One characteristic of successful students is that they attend school regularly and punctually. If a student is going to be away, we ask that you contact the College

0800 240 173 / 07 877 8173 and leave a message on our answering service. We will need to know:

*Who is going to be away * The reason why they are away (for MOE coding requirements).
